2. Artwork Information (continued)

Artist Statement - A detailed story about the work for viewer's understanding.

For 3 Bugs, I challenged myself to use a small color palette. I wished to stray away from using conventional black outlines by filling the whites spaces with intricate pattern and texture. I used digital colored pencils on a white background to highlight the unique and meaningful limited colors of the insects.

May you feel the tingles of these insects, march on every morsel of your entire body in a positive way rather than a dangerous and fearful way. I drew this concept while listening to the first Harry Potter book.

This artistic restraint set, proved to challenge creativity itself for both my satisfaction and yours.

Welcome to a playful and experimental spa where bugs are your buddies of comfort and at the service of your imagination. A sense of childhood, re-discovered to play in dirt but where satisfaction and discovery was no small feat of achievement.
