2. Artwork Information (continued)

Artist Statement - A detailed story about the creator, their artistic inspiration and the creation process of the **specific** artwork for viewer's understanding.

Hello, I am Alessandro Spaiani, and my artist name is Hidden Vibes. I wanted to create this limited series of NFTs, based on a sci-fi story that I invented. The story is called "Metempsychosis." The idea was to create a single piece for each chapter of the story, provide a small description of the plot story's history, and a soundtrack. Now, you just have to give free rein to your imagination, and immerse yourself in the story.

Chapter 4 – An Unexpected Encounter

Year: 2565

Coordinates: 31.256236, 36.046439

A familiar face catches Melody's and the squad's attention; it was Melody's sister, Adeline. She warns her that Allion soldiers are in the area, and seeks their help to hide from them. Adeline says that the news of the Rainbow Squad's escape is on everyone's lips in Allion, and that upon hearing the news, she also fled with the intention of joining the squad. She also says that their strength and tenacity are inspirational, and are contributing to the rise of rebels in the city. The squad, including Adeline, head to their hidden base of operations.
