2. Artwork Information (continued)

Artist Statement - A detailed story about the work for viewer's understanding.

The banks of river Godavari is a sacred place where ancestral culture and Lord Shiva is worshipped. This painting fill the gaps of the past and the present of the historic Shiva temple "Nilkantheshwar" and the ancient Architecture of approximate 400 years old. It captured while replicating the golden sunlight onto the paper of the foggy winter.

As I was born and brought up in a pilgrimage city always been lucky to be surrounded by the Spirituality and an enormous landscape changing its beauty everyday.
As an artist, the Ganges have always been a part of my journey in teaching me about life and depth of the watercolours. Inspiring me to be an International Watercolourist as the legacy of Nashik is to create artists under the blessings of the Ganges.
