2. Artwork Information (continued)

Artist Statement - A detailed story about the work for viewer's understanding.

I always loved sci-fi, it is a genre where you explore without limits. From dreams, futuristic, secrets of the universe or metaphors of current societal matters.

This creation is a concept where you enter the uncharted territory;
Stepping outside of all you have known so far;
You have no way of knowing what is on the other side;

Annihilation is inevitable and will happen on one form or another.

Full of perils and danger, this non-reset matrix is continuous.
Only luck and sheer skill will pull you through.

Surviving or not, you will not come back, unchanged.
Changed for the better?
