Artist Statement - A detailed story about the work for viewer's understanding.

Representation of an impossible love built through the instinct of fusion with its other half. It is based on the idea that it is our responsibility to find wholeness within our individuality. True love is when two wholes become one.

I am a young Artist by the name of Gio Jones. I find a true sense of purpose by creating and expressing emotions in a way that can last in the memory of men. I am mainly inspired to explore the beauty of identity's uniqueness. I tend to champion concepts, not specific techniques to translate ones essence and truth.
