2. Artwork Information (continued)

Artist Statement - A detailed story about the work for viewer's understanding.

What originally started as a drawing of an empty plastic bag became a line work exploration, which then quickly filled up with background colours. As I became increasingly invested in the work and listening to podcasts and music, I simply gave in to wherever my mind wanted to take my (Apple) pencil. I tried to express what I was feeling and thinking about in the moment, but never constrained myself too much - after all, this was a meditative, relaxation exercise to manage my energy and get ready for bed. Fun fact- According to the Procreate app, this piece has a total of 26 925 strokes.
