2. Artwork Information (continued)

Artist Statement - A detailed story about the creator, their artistic inspiration and the creation process of the **specific** artwork for viewer's understanding.

I am Michaela (Mika) Krumekort, Nee Carlton-Kleinkort, an artist from the United States. My mediums are traditional watercolor and guoache, and digital art. I specialize in portrait realism. I am currently a college student working on my first degree. When not doing art or music, I love having outdoors adventures.

Welcome to the Pink Panda lore!

While not much is on record regarding his ancestors, the many stories of the Pink Panda are taught as an important example of one's humble dedication to greatness and service. Revered by most - and feared by some - the Pink Panda is a guiding light for those seeking to find their place in the digital world.

This is the first NFT in a series of 5 that will explore the lore of Fěn...from his washing ashore on a bamboo raft as an infant, to his childhood being raised by the Satoshi monks, and his many adventures throughout the lands of Lootverse. Each NFT in this set will carry "Easter Eggs" - in world powers or a "real world" surprise, that will reflect the lore and values that Fěn represents. Community, fairness, abundance, and most importantly - play!

This image - Bamboo Dawn - represents the moment Fěn discovered the powerful "Genesis Token" - the day that he truly realized his power and his destiny. It shows the beauty of dawn rising on a forest of bamboo, the magic that thrives in nature all around us if we simply open our eyes to see it.
