2. Artwork Information (continued)

Artist Statement - A detailed story about the creator, their artistic inspiration and the creation process of the **specific** artwork for viewer's understanding.

Each piece of this collection intends to exist individually or as a set that flows through the chakra colors, one piece flowing into the next. "Glorious Dawn" collection is a nod to Carl Sagan and my ideas, and feelings about how we came to exist. Two things have been consistent throughout my entire life, my need for colorful, creative expression and my fascination with energy, the cosmos, and the universe within our consciousness. I tend to approach my creative process to create a particular balance of calm and chaos, mirroring my own life. Having survived so much chaos, trauma, and addiction, I now live a calm, fulfilling life. The latter in my painting is represented by the background colors, while the black and white is the most rewarding part- it's my opportunity to take potential chaos, but guide it into something that follows its flow.

"Blue Shift" represents finding the truth.
