CREATOR'S CERTIFICATE OF AUTHENTICITY

2. Artwork Information (continued)

Artist Statement - A detailed story about the work for viewer's understanding.

The feeling of not having a voice; the sadness; the fear that comes from that isolation... looking for light and understanding.

Being able to make oneself understood and accepted, is core to us all.

We all need to share ourselves with others.

The sound of silence is a loading black and white scene.

A grey alley with smooth cobblestones but with no light for direction.

A voice only heard inwards longing to break this invisible blockage.

A song-less soul and a wandering capacity.

A fearless victim, this silence.
