Artist Statement - A detailed story about the work for viewer's understanding.

"Breathe" is a watercolour and gouache piece I started in the beginning of 2021. I really like this painting as to me it represents the importance of self care. Sometimes, there may be lots of things happening around us, we are busy with life, or we may go through a lot in our minds that we forget to focus on ourselves, to breathe and feel whatever is in our hearts. The theme of the ocean was chosen as it reminds me of peacefulness and calm. The fishes coming out from the woman's chest embodies all emotions, thoughts and feelings that I needed to let go.
