Artist Statement - A detailed story about the work for viewer's understanding.

Chhatrapati Shivaji Maharaj is a big inspiration to all Indians and as a tribute, I have tried my best to project this Hero into this sculpture.

Shivaji is considered to be one of the greatest warriors of his time and even today, stories of his exploits are narrated as a part of the folklore. With his valor and great administrative skills, Shivaji carved out an enclave from the declining Adilshahi sultanate of Bijapur. It eventually became the genesis of the Maratha Empire. After establishing his rule, Shivaji implemented a competent and progressive administration with the help of a disciplined military and well-established administrative set-up. Shivaji is well-known for his innovative military tactics that centered around non-conventional methods leveraging strategic factors like geography, speed, and surprise to defeat his more powerful enemies.

This 3D Model was sculpted in Zbrush and it took almost 2 weeks for completion.
