## 2. Artwork Information (continued)

Artist Statement - A detailed story about the creator, their artistic inspiration and the creation process of the **specific** artwork for viewer's understanding.

I am Boryana, a DJ and producer from Bulgaria. I have been enthusiastic about electronic music long before I started my DJ career.

Now, doing it professionally for more than 10 years, I still have this never-ending fascination and pure joy from the music, and the energy of the crowd.

My music can be described as a hypnotic, driving, and melodic techno filled with a captivating rhythm that never seems to end.

Cosmic Dust:

"Cosmic Dust" is an explosive and groovy techno tune that can pull anyone toward the dance floor. The filtered synth work and the rhythmic baseline are absolutely irresistible, giving the feeling of a never-told story throughout the whole track. The melodic, smooth, and fluid rhythm, along with the catchy vocals, pump up the listeners' energy and give them a feeling of pure musical euphoria. As the name implies, "Cosmic Dust" takes its listeners for a walk in-between galaxies. It is a unique piece of electronic music that will never fail to elicit a reaction.
