Artist Statement - A detailed story about the work for viewer's understanding.

Conceived by the artist during the second Covid lock down, "Forest People" draws inspiration from nature and ancient cultures that once ruled the earth.

A recall of lost mysticisms. "Forest People" is a reminder that music used to play a spiritual and magical role amongst tribes.

Those frequencies are the anthem of the ancient tribe known as the "Heirs of the Old Kingdom". An ancient tribe which eternally watches upon the original flame of Lootverse.

They come from a world before ours and shall see the ones after.
