Artist Statement - A detailed story about the work for viewer's understanding.

I am Khalid, a Sudanese artist. I love art because it is a way for me to vent and release my stress, as well as transmitting these injustices to verbally explain visions and thoughts.

This artwork resembles the issue that was raised concerning human rights since 1948. Yes, I am a man who supports gender equality because I strongly believe that it has a huge impact in our lives from all angles. It leads to greater economic stability, higher rates of satisfaction and happiness, and in general, better living conditions. And as Michael Kimmel mentioned on his TED talk segment "Privilege is invisible to those who have it." So men really need to start putting themselves in women's shoes and see things from different perspectives. Break the invisible chain!
