Artist Statement - A detailed story about the work for viewer's understanding.

I am Ludovic Lufor, alias Ludocreator, a 2D artist based in Mauritius. I specialize in concept creations and illustrations and work in the advertising and gaming industry.

When I am not busy doing fan-arts, I like to convey my emotions by creating fantasy worlds, characters, that are inspired by moments and people from real life. -Because why not remember those who have walked along us in our journey. I choose to take the good and bad experiences in a way...that one day when I look back, I will exclaim, "what a life...".

Welcome to Giana-01:

Having been separated from her sister Kateriina during her childhood, Giana vowed to become a Guardian of Memories, so she may find her sister, wherever time has taken her.

Along her many travels, she befriended a white Persian cat, also roaming the galaxies. Both had an instant connection and never left each other's side since.

However, it strangely appears what one of them was missing and longing, the other could complete that gap.

-What if Kateriina and Micia were the same souls?
