Artist Statement - A detailed story about the work for viewer's understanding.

An exclusive feat, never-before-seen opportunity to own parts of a million views video clip on LootNFT! And from Kenya's most impactful Afrobeats artist, no less!

Celebrating Victoria Kimani's groundbreaking Studio album, Spirit Animal and affiliation with LootNFT, the chance is unleashed to own the first part of the hit song Gimme Money.

Having reached million views already, it is bound to reach even higher numbers.

"I created Spirit Animal as an accurate representation of East African art and culture. My goal was to empower the people of East Africa with artwork and visuals that accurately represent the culture and drive of the people. Gimme Money represents the Drive of the people of East Africa. People who never give up and strive to achieve any success needed by any measure available. Gimme Money is really an interpretation of Gimme Opportunity, Gimme Hope, Gimme a Chance, Gimme what I need to do whatever it takes."

Victoria Kimani's powerful statement entails the truth that this song is made of the people; for the people!
