Artist Statement - A detailed story about the work for viewer's understanding.

An exclusive feat, never-before-seen opportunity to own parts of a million views video clip on LootNFT! And from Kenya's most impactful Afrobeats artist, no less!

Celebrating Victoria Kimani's groundbreaking Studio album, Spirit Animal and affiliation with LootNFT, the chance is unleashed to own the second part of the hit song Gimme Money.

"I created Spirit Animal as an accurate representation of East African art and culture. My goal was to empower the people of East Africa with artwork and visuals that accurately represent the culture and drive of the people. Gimme Money represents the Drive of the people of East Africa. People who never give up and strive to achieve any success needed by any measure available. Gimme Money is really an interpretation of Gimme Opportunity, Gimme Hope, Gimme a Chance, Gimme what I need to do whatever it takes."

Gimme Money: Beat 2 features the chorus rhythm, that feels like a liberating anthem bouncing in your heart to tackle anything. This is the significance of Afrobeats impact in African culture, in other words, take on life problems with a beat that resonates positivity and problems move at your rhythm only, not the other way round.
