Artist Statement - A detailed story about the work for viewer's understanding.

This piece was written at a time when I had reached rock bottom. I was getting into bad habits which only fueled the problem. Then in my darkness I remembered that music was always what helped me stabilize my emotions. So I wrote Harbinger of Hope, to give myself hope. And in the process help anyone it could who would take the time to listen.

Fabrice David explores the bridge between emotion and music. While as a whole it is about the fusion of electronic genres, in essence it's about expression of emotions beyond spoken word.
