2. Artwork Information (continued)

Artist Statement - A detailed story about the work for viewer's understanding.

It is often said "beauty is pain", this piece "Inferno Beauty" visualizes that meaning. Before true beauty can be found, there is a long road of pain that must be felt to truly appreciate and understand that beauty once it is found. Often, that pain will come overwhelmingly like an inferno of fire. But around that fire, are butterflies ready to land on you once the inferno is extinguished and only then can the beauty of it all be appreciated.
