Artist Statement - A detailed story about the work for viewer's understanding.

I envision and build digital alternate realities. Artworks that are abstract but somewhat referential, including images and symbols originating from the physical world.

I was swept by the psychic breeze to create Institute III, I was enamored by the just and noble mix of nature in producing bitter and sweet experiences. I was taken to Willy Wonka & the chocolate factory and obviously ate too much chocolate that I started to feel as a mallow flower. I marched mallow scents and like a breeze, I fell in slow motion back to real life. Oh may nature, please share this wonderment with you.

You would not need a stamped letter invitation, the magic is in you and may Institute III help you take yourself on a trip you will long to return.

Let's brandish the parasailing endeavor to jump clouds and break storms of our daily lives and be in this sweet surrender that this dream encyclopedia twists us towards. A new horizon and an institute of liberty, love, lush, lavish, and the list goes on.

I bid you a swirling welcome to the third scene of this psychic breeze garden.
