2. Artwork Information (continued)

Artist Statement - A detailed story about the creator, their artistic inspiration and the creation process of the **specific** artwork for viewer's understanding.

My name is Satwik. I am 21 and I live in India. I started my artistic journey with making portrait sketches. After that, I switched to digital platforms like blender photoshop and unreal engine, making concept art and illustrations of genres like sci-fi, medieval time, fantasy, post-apocalyptic, etc. My art style is mostly realistic. My dream is to create art for AAA games like "The Last of Us" and "Uncharted." Danar Worya and Eytan Zana are great inspirations to me

Left to Die:

Alone, Talos started to despair. But after some time, he found joy in playing with snakes. Seeing Talos happy, Niefel dispatched her harpies again to move Talos to a more desolate location. Once, Ver the god of the sea, noticed Talos near the ocean, but he was covered in mud. Thinking it was just a random man, Ver left without speaking to Talos.
