Artist Statement - A detailed story about the work for viewer's understanding.

The lighthouse traditionally means hope and security, guidance for sailors. It comes with a powerful light and long-trusted by all navigators.

It's the same with our mindset, we should always have a focus and disciplined mindset that may guide us on any life decision we might be taking. Be grounded, Be positive, have hope and move forward.

A good mindset will help us overcome obstacles or doubt just like the lighthouse which serve to warn mariners of rocky coast or dangerous path while reaching their destination.

We should all keep in mind that our only hope and security is to hold fast to what we know is good as well as positive to us.
