2. Artwork Information (continued)

Artist Statement - A detailed story about the creator, their artistic inspiration and the creation process of the **specific** artwork for viewer's understanding.

In this vision, an adventurer travels to the edge of order and chaos. The structures towering up to the abyss of space highlight the contrast of creative potential against the serenity found in the darkness. Death awaits the fallen warriors on the fields of rot, next to the otherworldly totems. There, they are given a second chance to restore their humanity.

One of five detailed doodle-style artworks from the Dark Magic collection by the artist doodleskelly, whose creative process relies on full-on intuitional improvisation. Most of his ideas depict whimsical dark fantasy worlds with psychedelic textures and colors, inspired by the likes of Moebius, Kentaro Miura, Hayao Miyazaki and many other japanese artists.
