2. Artwork Information (continued)

Artist Statement - A detailed story about the creator, their artistic inspiration and the creation process of the **specific** artwork for viewer's understanding.

In this series of works, I depicted what surrounds me and what I will not get tired of drawing. Nature is beautiful and I want to capture everything.

One of the five works in the style of landscape from the collection "The world through my eyes". This work depicts a house surrounded by an endless ocean, and even I do not know where this ocean ends. I used warm tones to show a warm day that will soon give way to evening.

I have always admired nature, in the cartoons of Hayao Miazaki, how he vividly and colorfully depicts everything. I love full-length anime, especially Makoto Shinkai.
