CREATOR'S CERTIFICATE OF AUTHENTICITY

2. Artwork Information (continued)

Artist Statement - A detailed story about the creator, their artistic inspiration and the creation process of the **specific** artwork for viewer's understanding.

Late in the thick heat of desert summer the monsoon appears, a threatening wind wall of sand, lightning, and torrential rain. The monsoon provides much needed moisture yet also wields incredible destructive force. Imagined here is the monsoon as a living entity, with a spirit and consciousness of its own that breathes onto the barren clay.

The monsoon is formed as a child of nature's thoughts and emotions, an expression of her power to both nurture life and destroy the parts of herself that no longer benefit her existence.

Ericka Long is an abstract artist from Scottsdale, Arizona. Since she was 19, she has been creating art in the form of painting and digital art. She paints to try to show the world there is beauty in darkness and light. Her work has been featured in various galleries, and she has recently started selling NFTs of her work. Ericka's art is a reflection of her own journey and she strives to inspire others to search for the beauty in life. Her art is a reminder that even in the darkest moments, hope and light can be found.
