CREATOR'S CERTIFICATE OF AUTHENTICITY

2. Artwork Information (continued)

Artist Statement - A detailed story about the creator, their artistic inspiration and the creation process of the **specific** artwork for viewer's understanding.

I am Enjon Chakraborty, a 3D concept artist from India. I created this series of artworks to bring to life an adventure thriller story cooking in my head. Right now, these artworks describe the key moments in the plot. In the near future, I plan to make an animated series based on this plot and its artworks.

The Story:

Intelligence has reported that General Tatarin is going to visit the Nakahi Research Facility to discuss about the bioweapon being developed there. Tatarin has already been accused of serious crimes by the international community, as he wreaked havoc in the Middle East. Needless to say, that's the reason The Pentagon wants him dead. However, they do not want to get their hands dirty. That's where Mr.Drongo, an infamous lone wolf hitman, comes in. He has been deployed in the facility, disguised as a security guard. It seems like Tatarin doesn't have much time left.
