Artist Statement - A detailed story about the work for viewer's understanding.

The multidisciplinary artist Pihu Sharma is of Indian origin. She creates colourful, visual amalgams through juxtaposing her work, combining both elements of realism and abstraction. She further expresses her work thematically, depicting ancient nude statues which have a neo-modern twist of digital art effects.

"Neon Cake" highlights acceptance. Visually, it is the masculine energy of a woman, which is not expected of her, we can see the figure is hiding, but wants to come out. In order to fully bloom to her unlimited potential, she needs to accept the parts of her which society rejects.
