Artist Statement - A detailed story about the work for viewer's understanding.

A world of ascension, a moment of peace and love, a serene environment, and a beautiful feel. Each asset was built in digital software and the final rendition was made with blender 3d and pure intents. This art depicts what it could be to ascend into a perfect and peaceful Elysium for the Heirs.

In this world, we have gold grasses intertwined with pure white flowers and golden stones and they all have individual meaning, the gold represents rest in wealth and comfort, the white represents rest in peace and harmony.
