2. Artwork Information (continued)

Artist Statement - A detailed story about the creator, their artistic inspiration and the creation process of the **specific** artwork for viewer's understanding.

An Audio-Visual collaboration piece with Jonathan Mensah (JB MADE IT). Depicting a scene where our character started having an ominous feeling. Taking an insight on one of the most primitive emotions (fear). While the Space cadet was in a difficult situation (losing all her means of communication with her comrades), she started diving through layers and layers of darkness while struggling to stay sane (depicted by using the reflections/mirroring).

Ominous is a part of a series called Space Cadet: Chronicles following our character's battle against her inner demons and....more.
