2. Artwork Information (continued)

Artist Statement - A detailed story about the work for viewer's understanding.

Penny the Pic Pic is inspired by the Olive White Eye bird which pecked at my living room window for weeks on end. It was a relentless pecker who had a message to convey to the world so I decided to sit down and write her story. When I finished writing the story, she stopped pecking at the living room window. I truly felt that the universe had sent Penny as a messenger and once her job was accomplished she went away. I am about to send the souvenir of Penny to you. The back of the painting holds the spirit animal discovery of my 6 year old daughter so this painting is charged with intuitive art and is a messenger for serenity in a time of turmoil.
