Artist Statement - A detailed story about the work for viewer's understanding.

As a kid growing up in a strict post-communist (Soviet Union), I was always taught that the path to happiness could only be achieved through the standard career channels such as medicine or law. As most young adults do, I left my dreams behind and followed this path even though my creative side kept drawing me back to being an Artist.

Now many years later, through my company <https://artproach.com/> I have fully embraced what my soul was always craving. TO CREATE...

Using a unique combination of 99% alcohol and special inks, the "Intentional Bloom" collection is a representation of my own life experiences and the revelation that human beings feel truly alive and happy when their actions are purely aligned with their hearts and souls.

Whether it's career ambitions, family goals, or helping others that drive us, may we never give up on our dreams and listen to our inner voices so that we can finally Bloom.
