Artist Statement - A detailed story about the work for viewer's understanding.

Sometime in the summer of 2021, I attended a DJ party held outdoors in New York, Brooklyn's Prospect Park, and it was a memorable event. Crowds of people turned out to see that music and light spectacle, after staying home for many months because of the Covid19 pandemic. People were excited to have an ability to get together again, and to have a chance to see each other again. They were happy for the return of humanity.

Dancing under the nightly skies to the set of neon lights of the DJ show, the crowd was thrilled to experience again what was taken for granted before: the ability to have normal, human, face to face interactions.

That concert inspired this work.
