Artist Statement - A detailed story about the work for viewer's understanding.

Christopher Stanbro is a lifetime artist who has been drawing since he was 6 years old. One day he came across the work of Wassily Kandinsky and he knew that was the artist he was channeling when he created his work. Now that he is 60 it is time to share his beautiful creations with the world. Seaweed Serenade is a classic example of his unique style and talent. These beautiful works take many hours to complete and are drawn with ink pens, a ruler and colored pencils. The fine lines and beautiful colors combine to create pure magic.
