- (a) I acknowledge that the below listed person is my agent and that I have granted that agent with full authority to list my creation for online auction at lootnft.io under a consignment sale transaction. My agent has explained the particulars of listing my creation for auction on lootnft.io, and I have understood the terms thereof, in particular,

Artist Statement - A detailed story about the work for viewer's understanding.

This song was inspired by real events that made me think about how little we know about each other, fiddling our way through life, becoming the lies we wear.

We think we know our friends, family, and relatives but do we really? They too think they know us, but do they really?

What about the parts of us we apprehend showing or even fear might be known?

What would be the consequences if they were revealed? Wouldn't we feel lighter? Could they destroy our bonds or make them more resilient?

Secrets when revealed can either make or break our relationships and trust.

What if we dropped our disguises and lies? What if this NFT could help you out with that?
