2. Artwork Information (continued)

Artist Statement - A detailed story about the work for viewer's understanding.

I have been attending the fashions shows of the brand called Flying Solo for the last several years and I have seen them grow from a small atelier to the global band, one of the major sponsors of the NYFW and a trailblazer for bringing the new designer talent onto the mainstream of fashion. Many different designers started their carriers and were discovered by the team of Flying Solo – and I had a privilege to collaborate with them on some art projects. Fashion shows of Flying Solo are spectacular celebrations of creativity, new visions for the art of fashion, and are festive and funky happenings.
