2. Artwork Information (continued)

Artist Statement - A detailed story about the creator, their artistic inspiration and the creation process of the **specific** artwork for viewer's understanding.

Spirited Ritual is based on a dream of a female goddess performing a ritual of natural grounding to embrace spirits that guide her on her journey between dimensions to find peace within. Surround yourself with nature and power from ancient ruins where many before you have traveled. Created using Zbrush and Cinema4d. Music Are royalty free free samples blended and mixed by myself.

Lane is a self-taught 3D digital artist focusing on art in surreal, psychedelic, concept, and sci-fi futuristic art styles. His art is based on visions or thoughts from a dimension not quite based on our conscious realm of understanding. Born abroad to military parents, raised in central Florida.
