Artist Statement - A detailed story about the work for viewer's understanding.

Sun Goddess, she was forged through the challenges of life. She doesn't remember how she made it through but she managed to survive. She's not even sure whether the storm is really over but one thing is certain, she will not be the same as before. She will move forward with her head held high and a strength that cannot be denied. Like the sun, she's alone but still shines.
