Artist Statement - A detailed story about the work for viewer's understanding.

Rubicon aka Ruby Antolin is a songwriter and producer currently based in Los Angeles, CA. He has been songwriting and producing music for 20+ years and has written and produced a variety of genres.

He has earned songwriting honors from the John Lennon Songwriting Competition as a semifinalist in the EDM category and an honorary award from the International Songwriting Competition in the singer songwriter category. He was featured as a guest judge in BIGO Live App Japan's singing competitions in 2019 and co-wrote and co-produced the title track for the competition's winner.

Rubicon has been working with Universal Music Publishing making production music which has been featured in shows such as Keeping Up With The Kardashians, Total Bellas, The Today Show, Real World Homecoming: New York, Ball in the Family, and more. His credits also include brands such as Pepsi, Xbox, Microsoft, NCR, Zillow, American Home Insurance, HomeStreet Bank, The Seattle Seahawks, and more.

In the Reflections of the Inner Realm series, I tried to encapsulate the emotions of deep thought of and inner reflections through music. Sunset reverie is about taking a break from the metropolis rat race and reflecting on one's goals and aspirations. The mixed media brings the visual representation of self-reflection through GIF art and is layered with the sonic sounds representing the journey entering the aspiration mindset
