Artist Statement - A detailed story about the work for viewer's understanding.

From the dawn of time, our style of communication has not changed and the importance it has played over time remains undiminished. Symbols also known as marks, represent one of the most ancient forms of communication.

The word symbol derives from the Greek symbolon, meaning 'token' and this non-fungible token of the future represents Intelligence, Ingenuity and Strategy. Go beyond what is known or seen and begin to create from the unknown with a higher intelligent strategy which produces genius.

All communication is achieved through the use of symbols and Bluxe have made their mark, can you see the hidden message?
