Artist Statement - A detailed story about the work for viewer's understanding.

We are bound by our survival instincts to do our best to keep afloat in the journey of life. However, there are moments when pricked by emotional pain, indulged in aphotic phases, we are consumed by the abyss. Dragged in deep waters, we struggle in the search for a source of luminosity. Propelled by existentialism, we dive into the abyss, surpassing our fixed limits. Discovering our luminous creature, we surrender to the light, nourishing our core with positivity. We grip firmly to our sense of hope and our perception of beauty through our mesmerizing survival experience in deep waters.
