CREATOR'S CERTIFICATE OF AUTHENTICITY

2. Artwork Information (continued)

Artist Statement - A detailed story about the work for viewer's understanding.

Born in Mauritius, I am what people would call an amateur photographer or self-educated. I never got any special photographic education of any kind. The real and biggest inspirations for taking photos knocked on the door in the late 2012's. I am particularly interested in landscape photography, Digital Blending and Black & White photography.

Landscape photography allows me to reconnect with nature, it acts as a therapeutic meditation. There is nothing more soothing and mind clearing than setting up my camera to capture the wonders of nature. Watching the sun go down over the horizon or dramatic clouds change as they move across the sky makes the world my canvas.

A world beyond our own is inevitable. It is not beyond our comprehension. Our hearts naturally long towards myths and legends. History has taught us but our imagination lives it. Every morsel of our entire being looks to the infinite variations of stairs leading to the sky or a deep secret in the waters.

Where is the bridge? Or is the bridge our consciousness? Let's go where no one goes and find the answer. To Valhalla!
