## 2. Artwork Information (continued)

Artist Statement - A detailed story about the work for viewer's understanding.

In a world full of depressed people, I had the worst nights being alone. I kept trying to fill the void by redirecting all my negative energy into my 3D art.

Behind the door depicted is my relief.

I've try to be patient. I've been waiting. Still waiting.

At the end of the day we've all got our time here.

Just trust in God's plan.
