CREATOR'S CERTIFICATE OF AUTHENTICITY

2. Artwork Information (continued)

Artist Statement - A detailed story about the creator, their artistic inspiration and the creation process of the **specific** artwork for viewer's understanding.

This vision is an expression of chaos, which is evident in the patterns the lines create together with bright colors. The strongest necromancer ever witnessed in the world of Dark Magic was able to raise even the dead giants, filling them with lesser spirits, each having their own motivations for revenge. This led to the destruction of civilization and the gates to the void were opened. Alas, an age of darkness fell upon the lands.

One of five detailed doodle-style artworks from the Dark Magic collection by the artist doodleskelly, whose creative process relies on full-on intuitional improvisation. Most of his ideas depict whimsical dark fantasy worlds with psychedelic textures and colors, inspired by the likes of Moebius, Kentaro Miura, Hayao Miyazaki and many other japanese artists.
