2. Artwork Information (continued)

Artist Statement - A detailed story about the creator, their artistic inspiration and the creation process of the **specific** artwork for viewer's understanding.

The setting sun, gently warming us with its warmth. The sunset has a truly magnetic magic. They strive to see him, capture him in paintings, photographs, describe in words. In the rays of sunset, people express their feelings, make proposals, or simply, without words, sit in an embrace, bowing their heads towards each other.

I was reminded of this good artist Claude Monet, and his painting "Impression. Rising Sun." A sudden inspiration came to the artist when he saw the view from the window in his hometown. I also wanted to capture the setting sun with my own hands and convey all the beauty and warmth in my own way.
