2. Artwork Information (continued)

Artist Statement - A detailed story about the creator, their artistic inspiration and the creation process of the **specific** artwork for viewer's understanding.

My name is Satwik. I am 21 and I live in India. I started my artistic journey with making portrait sketches. After that, I switched to digital platforms like blender photoshop and unreal engine, making concept art and illustrations of genres like sci-fi, medieval time, fantasy, post-apocalyptic, etc. My art style is mostly realistic. My dream is to create art for AAA games like "The Last of Us" and "Uncharted." Danar Worya and Eytan Zana are great inspirations to me

The Storm:

Talos, who has spent more time with humans than with gods, embraced the formers' way of living. He learned the fishing trade and how to build and repair ships. He built himself a ship to sail around the island. Once, when Talos was at sea, a storm broke out, causing his ship to be wrecked. He was weakened and sore from being stranded at sea.
