## 2. Artwork Information (continued)

Artist Statement - A detailed story about the work for viewer's understanding.

My hopes are that This collection inspires the viewer to trust in nature' s raw ability to overcome. Like cacti is resilient so are we. The things we learned from this pandemic are simple.

1. No one is anything alone
2. Death is not the worse outcome
3. Every living thing just wants to be happy.
4. Happy is subjective
5. Love and god are the same thing
