Artist Statement - A detailed story about the work for viewer's understanding.

The ability to bring an idea or concept into reality is what makes art what it's otherwise it'll be regarded as raw data and not a processed one. I've dedicated my work to researching for the best possible ways to bring ideas to life that's the major reason why THEIA will be so precious to me.

THEIA was the Titan goddess of sight (thea) and the shining ether of the bright, blue sky, and in addition according to popular mythology, she really loves gold and all the precious things jewelers have to offer. Her hair is depicted with a vibrant gold to show how immersed she is in wealth, same as her robe, chairs, and bangles. Her robes are made from pure gold to exalt her glory, her throne is made with pure gold and her eyes are vibrant as a morning star should be.
