## 2. Artwork Information (continued)

Artist Statement - A detailed story about the creator, their artistic inspiration and the creation process of the **specific** artwork for viewer's understanding.

This vision is an exploration of fire and its destructive capabilities. Contrast in color plays a role in bringing out the shapes of smoke and flame. Tower of Flames is the first glimpse into the mysterious, shattered world of Dark Magic, where devilish creatures hide in the shadows of abandoned ruins ready to ambush an unwary adventurer. The tower stands on a lonely shore and is the birthplace for forbidden fusions of pyromancy and necromancy alike. What kind of rituals are performed down in its lower depths?

One of five detailed doodle-style artworks from the Dark Magic collection by the artist doodleskelly, whose creative process relies on full-on intuitional improvisation. Most of his ideas depict whimsical dark fantasy worlds with psychedelic textures and colors, inspired by the likes of Moebius, Kento Miura, Hayao Miyazaki and many other Japanese artists.
