Artist Statement - A detailed story about the work for viewer's understanding.

Yuliya Loginowski is a 29 y.o pop art painter from Kazakhstan who finds inspiration throughout daily random encounters and the own voice and expressions of the creation process. Her ambition – is to achieve balance between color and luminosity, but also to break it to create that beautiful contrast between harmony and chaos.
“I try to express my emotions through colors and balanced harmonious forms. I never plan ahead color variations and shades and use very thick layers of acrylic paint. For me, all of my paintings are living a spontaneous process.
Most of my colorful portraits are representing iconic people through my own language of Art.”
