THE FINANCIERS

Often known as the “paperwork” center of Loot NFT World, the Isle of Fund is the destination for landowners to manage their plots. Plots grant rights embodied in revenue-bearing NFTs (or RB-NFTs), such as minting of NFT stories, receiving USDC platform credit rewards from the World’s economic activities, and more. Its people are the leaders in NFT-wrapped instrument experimentations which occurs at the Stakeholder’s Building.

GEOGRAPHY

|               |                         |
